INTERACTIVE CONVERSATIONS

THE EUCHARISTIC LETTER REVISITED

'Little Design' community is a simple, loving, Gospel way of life that is a more contemplative expression of our Medaillan charism. It may be the call of men and women today who are looking for a small faith community that is ecclesial, yet without institutional structures. It can be lived in our own homes.

Love LOVE and let LOVE love through you!

Today, we are 'rebirthing' from our founder's most original vision and mission! If YOU - CSJ sisters, associates, Little Designers, married couples - are feeling called to live more deeply the Gospel way of life described in *The Eucharistic Letter*, plan to join us at Galilee Centre for:

OPTION 1: Little Design Rebirthing Experience

We will study a NEW commentary on the prophetic-mystical text of *The Eucharistic Letter* (A Spirit revelation to our founder, J.P. Medaille, SJ in 1660). Through a deepening experience of our shared vision of 'total double union', we hope that animators will go forth and witness the emergence of Little Design communities manifesting a new vitality for our church and world. The Spirit is alive in our midst making ALL THINGS new.

OPTION 2: Guided Silent Contemplative Retreat (with daily spiritual direction available) for 4 days followed by communal sessions of **Little Design Enrichment** for the weekend. You can attend the whole week or just the retreat or just the weekend enrichment. State your choice when you register.

CONTEMPLATIVE LIVING

OPTION 1: The rhythm of each day flows in the creativity of Spirit-movement: 8 mornings we gather for 20 minutes of silent, contemplative prayer followed by interactive teachings on *The Eucharistic Letter* until noon using the new commentary – a 100 page binder. The afternoons are for further reading, rest, leisure or exploring the charming historic village of Arnprior to circle the city with Love. Eucharist will be celebrated most days at 4:00 p.m.

We encourage flexibility within our days to allow for individual creativity and Spirit expression of Little Design 'rebirthing'. A couple times, following the evening meal, we will have 'sharing of hearts' in small groupings. Most evenings are free. A special Canada Day 'Strawberry Shortcake Tea Party' is included too!

SIMPLE LIFESTYLE

OPTION 2: First, treat yourself to an experience of 'community' in an unstructured atmosphere of shared silence and solitude, enjoying the mystery of God's beholding love for YOU. Monica and Rosemary will offer short morning reflections and daily spiritual direction. Eucharist will be celebrated late afternoon.

Our weekend has a 'reunion' flavor...with time for celebration, sharing stories of living the 'Little Design' in daily life and periods of contemplative prayer. Monica and Rosemary will offer a few guided sessions pondering a NEW companion text on *The Eucharistic Letter* in more contemporary language. Eucharist will be celebrated Saturday evening. Eucharist lived daily!
